DEBIX Fanless Aluminum Enclosure
DEBIX Fanless Aluminum Enclosure

Overview:

This fanless aluminum enclosure is designed specifically for DEBIX Model C. Due to its small form-factor design, it has an increased surface area for enhanced heat dissipation while retaining access to all of the ports.

Main Features:

· Can be used with DEBIX Model C
· Rigid aluminum alloy enclosure
· Increased surface area for enhanced heat dissipation
· The right side of the enclosure is designed with a square hole and a stick-on plastic baffle to prevent Wi-Fi signal blocking
· A circular hole is reserved on the right side for an external Wi-Fi antenna
